I request admission to the minor program in Energy Engineering offered by the Engineering Science Program:

- I understand that only one upper division course can overlap courses used for the major.
- I have completed the prerequisite courses with a minimum GPA of 3.00 or better.
- I have an overall GPA of 3.00 or better.
- I understand that I must obtain a minimum overall GPA of 2.00 in the required upper division courses used for the minor.
- I am applying at least one semester prior to graduation. (I am not on the current degree list.)
- I understand that completion of the minor must not delay graduation.
- I am also attaching my relevant transcripts and current course plan when submitting this form
